DECEMBER, 2022

AN OPEN LETTER TO THE RESIDENTS, FAMILIES, FRIENDS AND STAFF OF WHITE PLAINS CENTER FOR NURSING CARE,

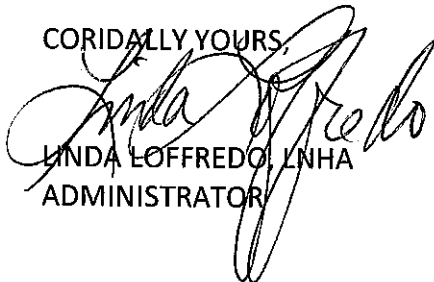

During this very joyous and busy time of the year, it is important that we slow down and reflect on the year that is nearly coming to an end and look forward upon the coming year—2023.

You may consider your loved ones around you, those in the care of others in our facility—or elsewhere—and focus on their well-being. I hope that you look upon this as a positive experience for you and your loved ones in our care. I wish the best of the Holiday Season to each and everyone of our residents, their families and friends, my staff—on all levels and in all departments who work diligently all year round to make this a special place to live in and work in.

This year has brought me much joy as my husband and I travelled half way around the world to attend our daughter's wedding in South Korea at the beginning of November. It was a once in a lifetime experience that I will cherish forever. These special moments assist us through trying times we may encounter as they are engrained in our hearts and thoughts. Happy memories strengthen us and fortify us for what ever comes next.

HAPPY HOLIDAYS TO ALL AND THE BEST OF LIFE IN THE NEW YEAR AHEAD—THIS IS MY WISH FOR EVERYONE!

CORIDALLY YOURS,

LINDA LOFFREDO, RNHA
